Taw & Torridge Stamp Club - General Data Protection Statement

When becoming a member of the club we collect some personal data which we will store electronically and will be protected by a password. The data will be held for a maximum of 5 years. The data collected is limited to that which you submit in the above application form i.e. your (and where appropriate your partners) name, address, phone numbers, email address and in the case of youth members, age.

The club only collects this personal data to contact you in future about re-joining the club and to notify you about meetings. The data will never be passed on to a third party and will never be used for commercial purposes.

If you want to review the data the club holds about you, you can write to the secretary who will send you your personal data as it is stored. If you wish for your data to be deleted please inform the secretary in writing.
